

Habit 2: Begin with the End in Mind
The Legacy We Leave
Christie Dickens

Leadership is communicating people's worth and potential so clearly that they are inspired to see it in themselves. Dr. Stephen Covey

Name someone who inspired or influenced you. In what ways did you see your own worth or potential differently because of this person? How did she/he communicate this to you? Circle key words that describe this person.

Tribute Statements: Write what you would like each person to say about your legacy and the impact that you have had on his or her life.
