# Student Led Conferences

- Contains information for planning conference
- Reflection sheets
- Notes/Letters

Dear Leonidus,

Thank you for inviting me to your conference. My favorite part was

interacting with you and your teacher. You were so proud to share your learning.

Together we are going to work on

counting to 100, learning all of your alphabet, and learning to read.

I'm really proud of you for

already learning to count to 40 and accomplishing all you have at school.

Keep earning those gold medals. You are such an OLYMPIAN!!

Love,

Mike and Sara

## Student Reflection
