# What is Plickers?

- Plickers (Paper Clickers), is a real-time assessment tool that let's you poll your class without the need for student devices.
- Scanning student cards with the Plickers app, teachers get instant feedback on their lessons.
- Both interactive and anonymous, Plickers is an activity students enjoy and feel comfortable participating in.

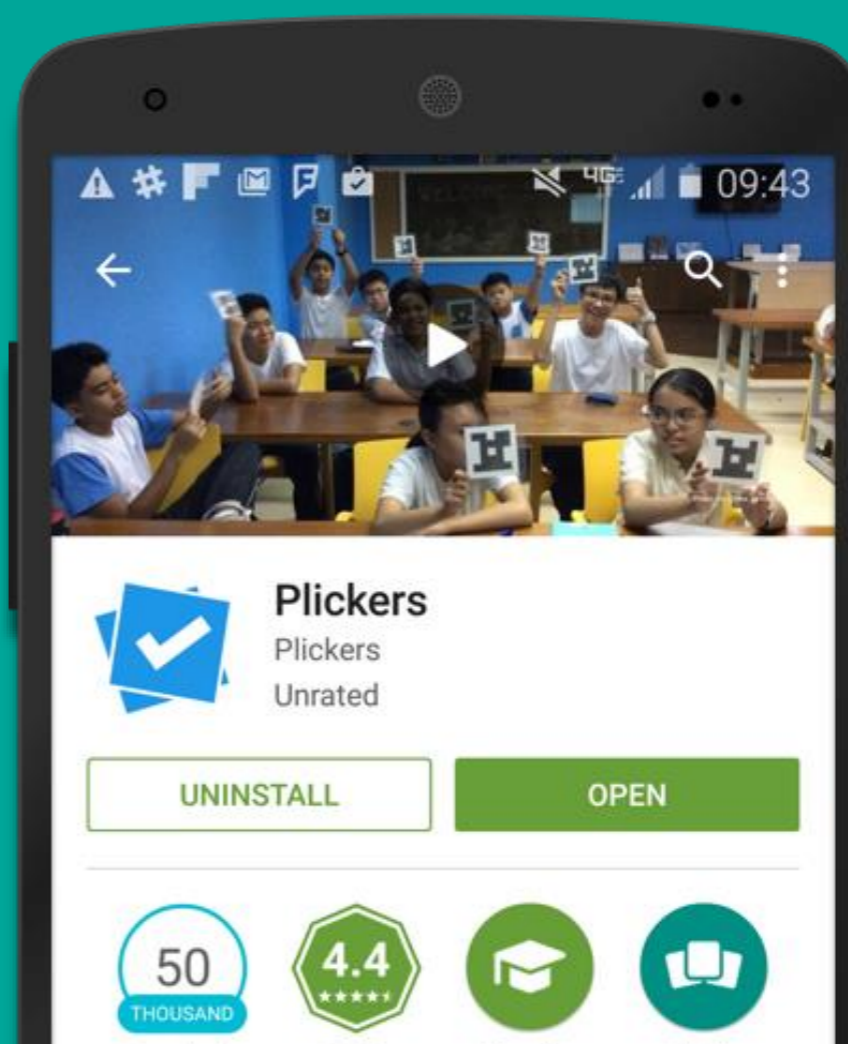

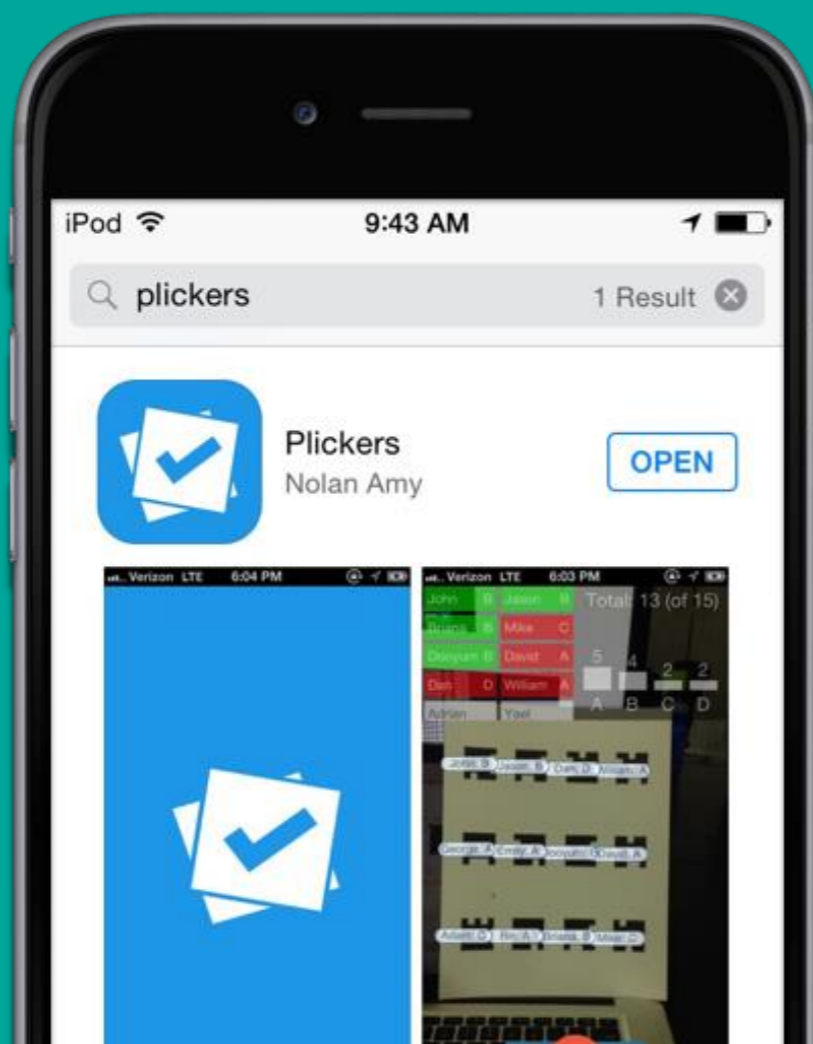

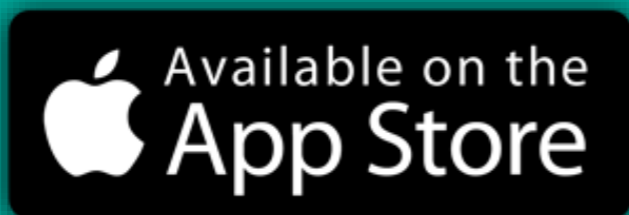

# How is Plickers Used?

- Found in classrooms K-12 to University, all ages, all subjects.
- Often used for formative assessment.
- Great for warm-ups, exit tickets, lesson refreshers.
- Outside the classroom, used in interactive settings such as physical education and professional development.

# Download the App

# Download the App

- In order to scan students' responses, you must have the Plickers mobile app installed.
- Plickers is available for free on both the [Google Play Store](#) and the [iOS App Store](#).
- Only the teacher needs the Plickers App. Students don't need to download a thing!
- For the iPad, filter by "iPhone only" and search for Plickers in the App store.

# Print Your Cards

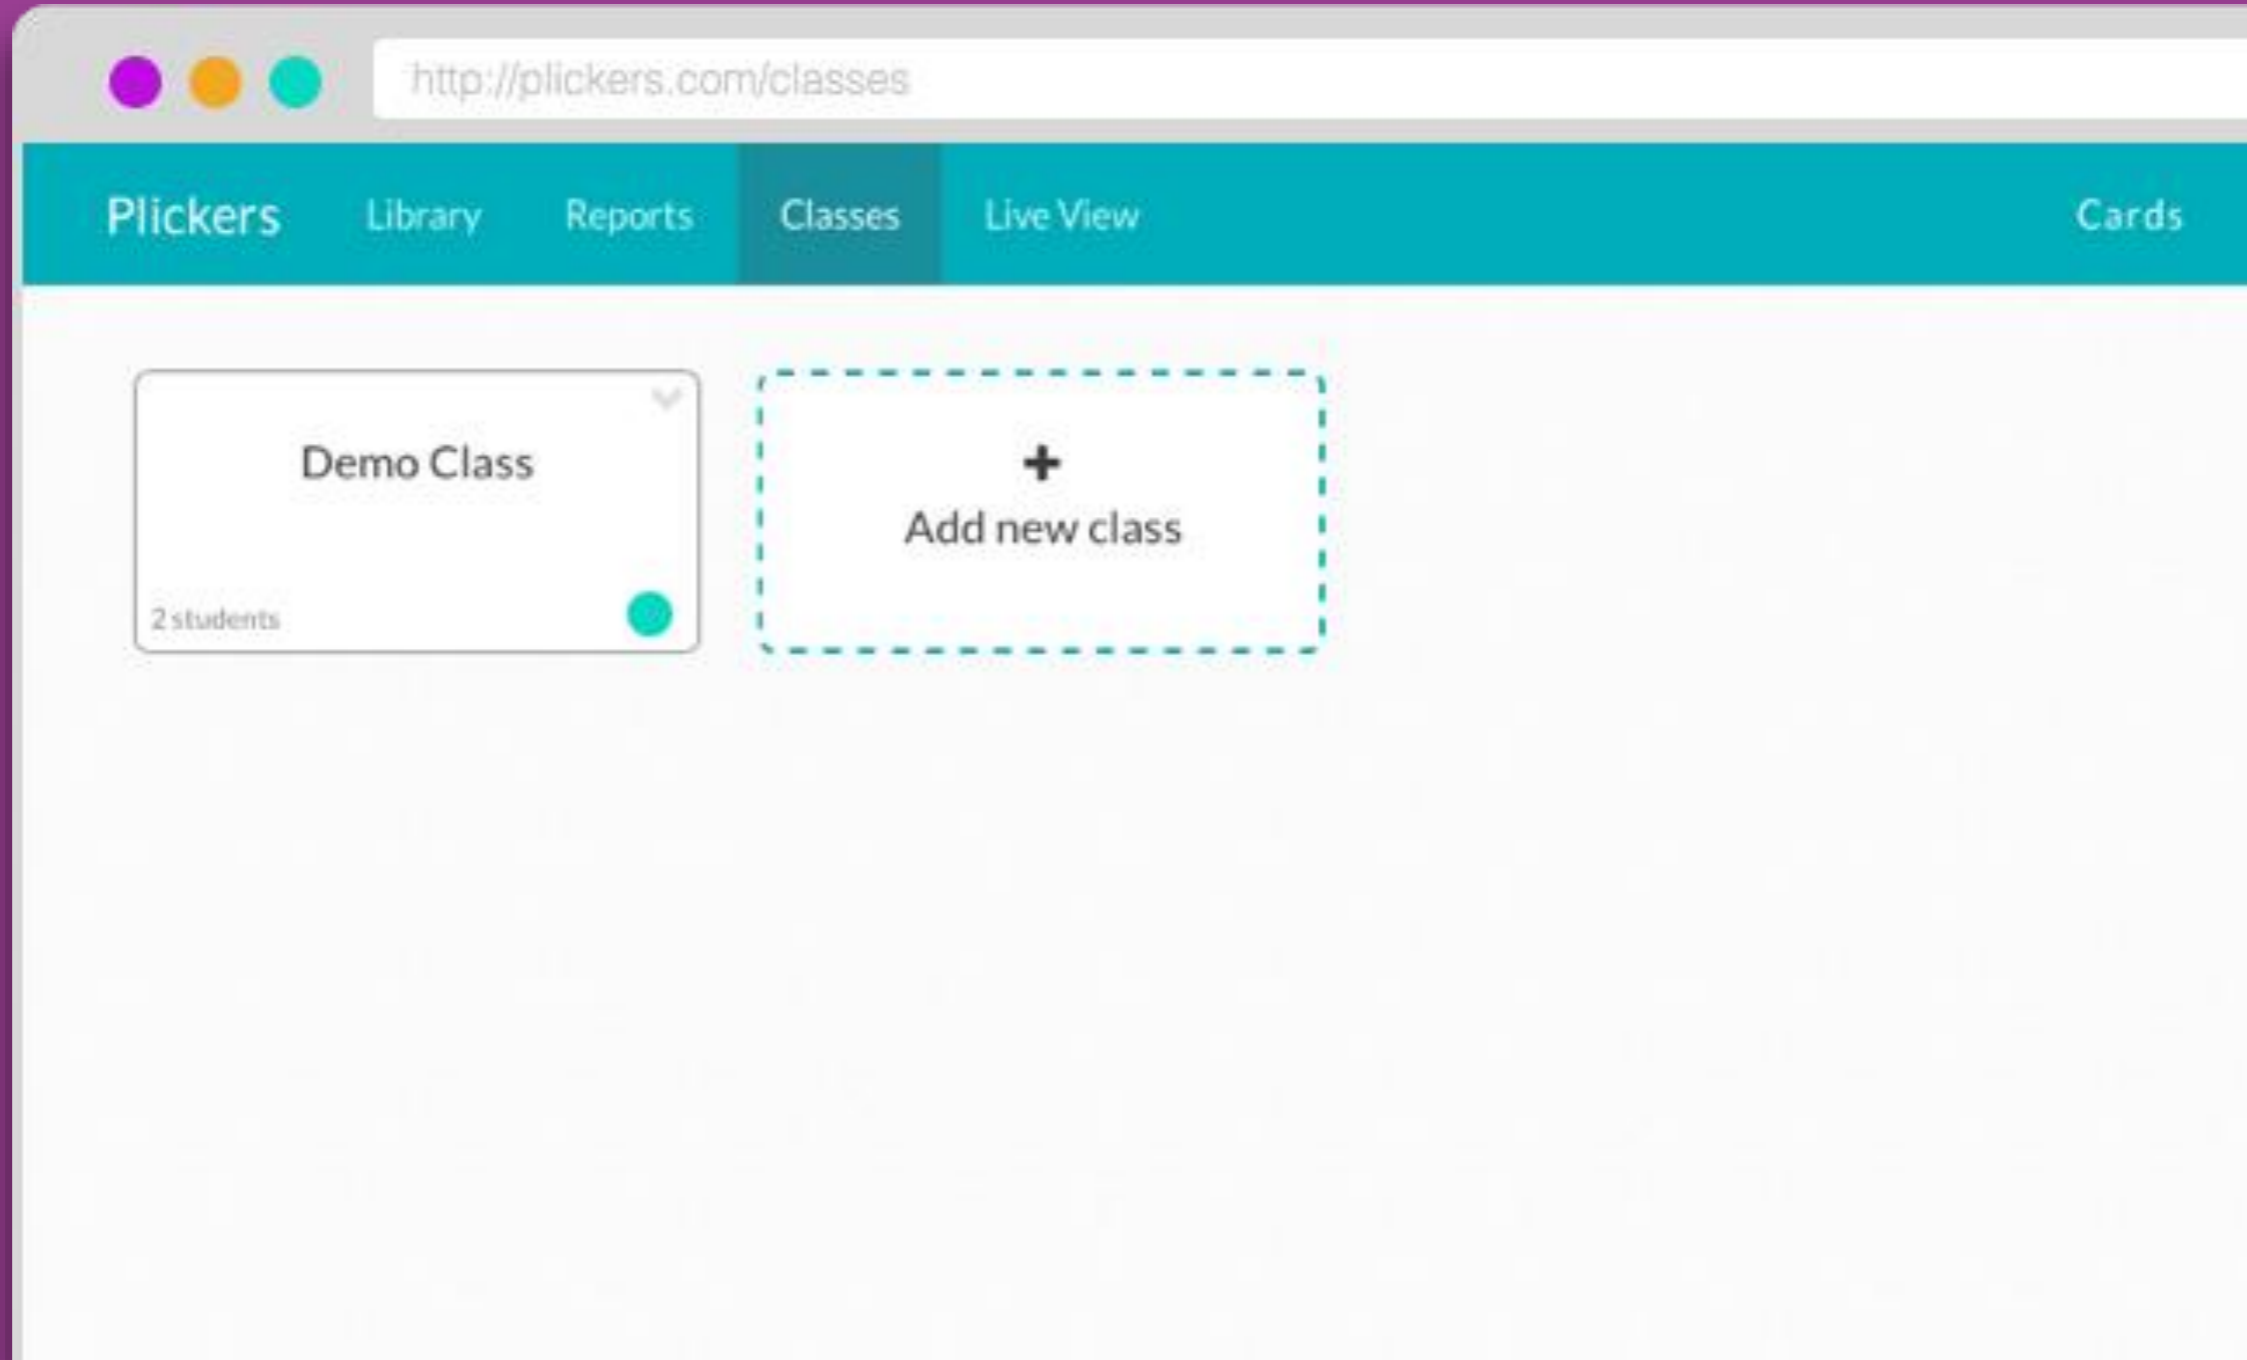

# Print Your Cards

- Print out your cards from [plickers.com/cards](https://plickers.com/cards) or purchase a set on Amazon.com.
- Each card has a unique number that can be assigned to individual students.
- Each side represents an answer choice.

# Add Your Class

# Add Your Class

- Add classes and students through the Plickers website on the Classes page.
- Plickers automatically assigns card numbers to students as you enter their names.
- Add up to 63 students per class.

A screenshot of the Plickers website interface. The browser address bar shows 'http://plickers.com/classes'. The navigation menu includes 'Plickers', 'Library', 'Reports', 'Classes', 'Live View', 'Cards', 'Help', and 'Mr. Frizza'. The main content area is titled 'Science 4-4'. It features a search input field with the placeholder text 'Enter Student Name (ex: Tim Howard)', a 'Sort By...' dropdown menu, and two buttons: 'Add Roster' and 'Print Roster'. Below these are eight student cards, each with a number and a name: 1 Phoebe Anderson, 2 Sean Allen, 3 Agatha Bailey, 4 Jorge Cruz, 5 Leanne Edwards, 6 Adam Flores, 7 David Foster, and 8 Cynthia Garcia. To the right, there is a section titled 'Available Cards' showing a grid of numbers from 22 to 33.

# Add Your Questions

The screenshot shows the Plickers web interface with a 'New Question' modal form open. The browser address bar shows 'http://plickers.com/library'. The modal form has a title 'New Question' and a text input field with the placeholder 'Add question text here...'. Below the text field is an 'Add Image' button. The form has two radio buttons for question type: 'Multiple Choice' (selected) and 'True/False'. There are four rows for multiple choice answers, each with a radio button, a text input field containing 'Answer', and a 'Correct?' checkbox. At the bottom of the modal are three buttons: 'Cancel', 'Save', and 'Save and create new'. The background shows the 'My Library' sidebar with folders like 'Text 1', 'New Folder', 'Mobile Uploads', and 'Archive'. The main content area shows a question 'Harry Potter's parents died by whose hands?' with options A, B, C, and D.
